Jiménez-Clavero, Elisa Pérez-Ramírez, Flavia Riccardo, Maria Grazia Dente, Silvia Declich, Marie Picard, Vincent Robert, Camille Escadafal, Lobna Gaayeb, Jean-Claude Manuguerra, Kathleen Victoir (ASF EURL, Spain)
10:30 - 11:00	West Nile and other flaviviruses emerging in the Mediterranean Elisa PÉREZ-RAMÍREZ and Miguel Ángel JIMÉNEZ-CLAVERO (CISA INIA, Spain)
11:00 - 11:30	Coffe break with posters
11:30 - 12:00	Dr Santo Caracappa National reference centers for vector diseases (IZS, Italy)
12:00 - 12:15	Viral Vector Borne Diseases: Early Detection And Risk Analysis Vesna Milicevic, Jelena Maksimovic-Zoric, Ljubisa Veljovic, Vladimir Radosavljevic, Ivan Pavlovic
12:15 - 12:30	Biodiversity And Seasonal Distribution Of Ticks On Green Areas Of Belgrade Ivan Pavlović
12:30 - 12:45	Seroepizootiological Situation Of Brucellosis In Republic Of Serbia Jadranka Žutić, Dragica Vojinović, Slobodan Stanojević, Đorđe Cvetojević, Budimir Plavšić

12:45 - 13:00	<p>Invited presentation: Requirements And Procedures In Microbiological Laboratories For Work With Contagious Infectious Agents</p> <p>Tamaš Petrović, Sava Lazić, Diana Lupulović, Gospava Lazić, Sara Savić, Živoslav Grgić, Vladimir Polaček</p>
13:00 - 13:15	<p>Equine Viral Arteritis: Our Experience And Requirments For Disease Control In The Republic Of Serbia</p> <p>Lupulović Diana, Tamaš Petrović, Gospava Lazić, Marko Pajić, Lazić Sava</p>
13:15 - 13:30	Discussion for all presentations and posters in Session 1
13:30 - 15:00	Lunch break and poster viewing

Thursday, June 23	<p>Session 2 - Main Hall "Nikola Tesla"</p> <p>Chairs: Božidar Savic, Miodrag Lazarević, Branislav Kureljušić</p>
15:00 - 15:30	<p>Invited presentation:Surveillance and control of viral diseases in freshwater fish and the European network of fish diseases laboratories</p> <p>Dr Niels Olesen (EURL Fish Diseases, Denmark)</p>
15:30 - 15:45	<p>Aquaculture and Fish Health in Serbia</p> <p>Radosavljević Vladimir, Vesna Milicevic, Jelena Maksimovic-Zoric, Tatjana Labus, Dragana Ljubojević, Miroslav Cirkovic, Zoran Markovic</p>
15:45 - 16:00	<p>Oxidative status in dairy cows and ewes during lactation period</p> <p>Dara S., Monteverde V., Tropa E., Arfuso F², Rizzo M., Piccione G., (IZS, Italy)</p>
16:00 - 16:30	Coffe break with posters
16:30 - 16:45	<p>Key Health Issues Affecting Dairy Cows Welfare</p> <p>Dušica Ostojić Andrić, Milan M. Petrović, Slavča Hristov, Aleksandar Stanojković, Vlada Pantelić, Dragan Nikšić, Maja Petričević</p>
16:45 - 17:00	<p>Invited presentation:Mannan oligosaccharides - modes of action and possibilities for usage</p> <p>Miodrag Lazarević, Aleksandar Milovanović, Ljubiša Veljović</p>

<p>17:00 - 17:15</p>	<p>Patomorphological Manifestations Of Trueperella Pyogenes Infection In Dairy Cattle</p> <p>Branislav Kureljušić, Oliver Radanović, Đorđe Cvetojević, Nemanja Jezdimrović, Božidar Savić, Jadranka Žutić, Jasna Kureljušić, Slobodan Stanojević</p>
<p>17:15 - 17:30</p>	<p>Brachyspira spp identified in growing pigs in Serbia</p> <p>Bozidar Savic, Oliver Radanovic, Djordje Cvetojevic, Branislav Kureljusic</p>
<p>17:30 - 17:45</p>	<p>Antimicrobial resistance of bacteria: Why is it important?</p> <p>Maja Velhner, Dalibor Todorović, Dragana Ljubojević, Marko Pajić</p>
<p>17:45 - 18:00</p>	<p>Extended spectrum β-lactamase-producing (ESBL) Enterobacteriaceae</p> <p>Dalibor Todorović, Maja Velhner, Marko Pajić, Dejan Bugarski</p>
<p>18:00 - 18:15</p>	<p>Hatchery Station Like Possibility Source Of Environmental Contamination With Bacteria From Genus Salmonella</p> <p>Ilić Živka, Oliver Radanović, Ljiljana Spalević, Danka Maslić-Strižak</p>
<p>18:15 - 18:30</p>	<p>Discussion for all presentations and posters in Session 2</p>
<p>18:30 - 21:30</p>	<p>Panoramic sightseeing of Belgrade by boat</p>

Friday, June 24	Session 3-Hall "Nikola Tesla" Chairs: Ksenija Nešić, Olivier Fumiere, Dragan Šefer
09:00 - 9:30	Plenary lecture: The European Union reference laboratory for mycotoxins - achievements and work ahead Dr. Jörg Stroka (EURL for Mycotoxins, Belgium)
9:30 - 10:00	Invited presentation: Benefits and prospects after 10 years of the European Union reference laboratory for animal proteins in feedingstuffs Olivier Fumière, Pascal Veys, Aline Marien, Marie-Caroline Lecrenier, Vincent Baeten and Gilbert Berben (EURL for animal proteins in feed, Belgium)
10:00 - 10:15	Invited presentation: Phytobiotics - modern nutritive strategie in intensive farming of non-ruminants Dragan Šefer, Stamen Radulović, Radmila Marković, Dobrila Jakić-Dimić, Vlado Teodorović, Aleksandra Nikolić
10:15- 10:30	Invited presentation: Monitoring of feed for the presence of animal proteins in Serbia - decade overview and close perspective Ksenija Nešić, Nikola Pavlović, Gospava Lazić, Biljana Božić
10:30 - 10:45	A two-years survey on the presence of sulphites in meat products commercialised in sothern Italy Ferrantelli Vincenzo, Giangrosso Giuseppe, Vella Antonio, Macaluso Andrea, Cicero Atonello, Cammilleri Gaetano (IZS, Italy)
10:45 - 11:00	Word of sponsor Superlab, Belgrade
11:00 - 11:30	Coffee break with posters
11:30 - 11:45	<i>Streptococcus suis</i>, from pen to the food chain

	Aleksandar Stanojković, Nikola Stanišić, Marija Gogić, Radmila Pivić, Dušica Ostojić-Andrić, Violeta Mandić, Aleksandra Stanojković-Sebić
11:45 - 12:00	Finding of <i>Salmonella spp.</i> in mechanically separated meat Jasna Kureljušić, Nikola Rokić, Neđeljko Karabasil, Jelena Petrović, Branislav Kureljušić, Nemanja Jezdimirović
12:00 - 12:15	<i>Escherichia coli</i> in fish meat - current status and perspectives Dragana Ljubojević, Dubravka Milanov, Miloš Pelić, Nikolina Novakov, Brankica Kartalović, Vladimir Radosavljević, Miroslav Ćirković
12:15 - 12:30	Impact of traditional storage system on the production of fumonisins in maize in Serbia Sandra Jakšić, Milica Živkov Baloš, Nadežda Prica, Željko Mihaljev, Igor Stojanov, Ksenija Nešić, Biljana Abramović
12:30 - 12:45	Seasonal variation of aflatoxin M1 in dairy products during 2015 in Serbia Tanja Keskić, Jelena Miocinović, Andrea Kos, Miladin Gavrić, Zorana Miloradović, Predrag Pudja
12:45 - 13:00	The use of organic acids in animal nutrition Marija Pavlović, Radmila Marković, Stamen Radulović, Vlado Teodorović, Aleksandra Nikolić, Dobrila Jakić-Dimić, Dragan Sefer
13:00 - 13:15	Discussion for all presentations and posters in Session 3
13:14-14:45	Lunch break and poster viewing
14:45-15:00	Hall "Nikola Tesla" Symposium Conclusions and Closing Remarks
15:00 - 15:15	Symposium Conclusions with discussions
15:15 - 15:30	End of Symposium
